

CCTV Kit Solution

CCTV Kit Solution \$2,699.99 + gst*

The kit comes with a 16 channel NVR and 8 cameras. This enables facilities to have 8 public areas under surveillance. CCTV cameras are becoming a tool of choice for facilities to ensure their premises are safe, secure and in the event of an incident there is recorded footage clearly showing the occurrence. It also gives visuals on areas such as hallways and communal areas where there is not a continual staff presence.

The price stated does not include cabling and installation. An inspection of the site will be required before a quote for a fully installed system will be possible. Please contact us on **1300 885 147** for more information or to set up a site visit.
